## MONETARY AND COMMERCIAL

In their financial report of Saturday last Messrs. J. A. Hambleton & Co. of Baltimore say:

Mechanics and laborers have more work than they can perform. The railroads are doing an enormous business, and the millions of bushels of grain stored in Western granaries must come forward in due time. The only hindrance to trade is the high price of grain which retards shipments, but this will, we think it is not very far off—will also remedy itself. When prices will permit, our exports will be enormously increased, money will become a drug, and we shall witness a season of prosperity hitherto unknown. Under these circumstances we can only look for great activity in the stock market and an improvement in the prices of stocks of known and undoubted value.

In the third ward Charles E. Mallon, who has resided in Washington since 1870, asked to be registered as a voter of this city. Col. Civil Brawner, refused to place Mallon's name on the books, and he gave notice that he would appeal to the Judge of the Corporation Court, on the ground that after voting in this city in 1870 or 1870, he entered the service of the United States Government, and removed to Washington with the intention of returning to this city and making it his place of residence; that he had not registered or voted in any other place, and that he thought he was entitled to vote somewhere, and not be deprived of his right of franchise. The case will come up before Judge Clifton to-morrow.

YESTERDAY—RELIGIOUS ITEMS.—The usual congregation were present at the different churches yesterday. Rev. John R. Hender son preached in the First Presbyterian Church in the morning, Mrs. Mary A. Woodbridge, of Illinois, occupied the pulpit of the M. E. Church in the morning and Miss. J. Ellen Foster, of Iowa, at night. Both of these ladies are members of the National Woman's Christian Temperance Union, in session in Washington last week, and their addresses were listened to with close attention by large audiences. There were no services in Christ Church at night. The pulps of the other churches were filled by the regular clergy.

The Gospel Temperance meeting, under the auspices of the Alexandria Reform Club, was held in the First Presbyterian Church, yesterday afternoon. A delegation of ladies from the National Woman's Christian Temperance Union were pres't at Mrs. Hill, of Baltimore, read the Scripture, and Mrs. M. L. Willis, of Illinois, delivered an interesting address.

To morrow being "Ad Sauti" Day, appropriate services will be held in St. Mary's Church. Services will also be held in Grace Episcopal Church, Rev. H. T. Sharp, rector, at 7:30 o'clock p.m.
